### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Deidre M. Davis on 8 December 2004.

The application has been amended as follows:

Claims 24 and 25 have been canceled.

2. The following is an examiner's statement of reasons for allowance: The examiner found the arguments presented by the applicants persuasive as directed to claims 1-23. But felt that claims 24 and 25 were broad enough to invoke other art. Applicant agreed to cancel claims 24 and 25 without prejudice to expedite allowance of the remaining claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
